I'm green  
But you don't eat me  
I get tossed around from person to person  
If you find me with Benjamin Franklin's face on me your dang lucky  
I am loved  
Everyone wanting more of me  
Sometimes a bad thing  
Greed gets the best of them  
Eventually I get lossed  
And forgotten

I have a mouth but never speak  
I go to the bank  
But my account balance is weak

I am always running day and night  
But also stay in bed  
My flow of life is just right

Write your riddle poem below. Make sure to use stanzas and proofread.

I am the fastest thing in the world.  
You can't see me, but you know me.  
I am bad, I am good.  
I am sad, I am angry.  
I can be anything, anyone, anyplace.  
I am everywhere.  
What am I?

This thing is slow when you wait,  
Fast when your late,  
Longer when your in pain,  
And its lingering when your bored.

It cant go back,  
It cant go forward,  
It stays right here,  
And it could me wrong sometimes.

The string, the string, the string of destiny.  
Oh, how these three cut the string, with glee.  
Your fate will be decided, so hope your kind hearted.  
Or you may meet death as your doom.

I am something you hear everyday.

Either in a good or in a bad way.

I am yours though you do not use me a ton.

I will never leave you, because I am never done.

I'm very hard to find,  
Yet extremely common to be.  
I'm the only thing that can travel ahead in time,  
And attract everything to planets and stars.  
I'm in everything you can see or touch,  
And in most of what you can't.  
I help make stars collapse into black holes,  
And make life able to exist.  
I'm what pushes you down,  
And helps you survive.  
Right now you're looking at me,  
But can't see or feel me.  
Without me a year wouldn't exist,  
And you wouldn't either.

Will never be a waste it will be the time of  
My life!!

We give off oxygen that helps you breathe  
We are the things you like to climb  
And read books in way up high

We put shade over you on a hot sunny day  
So you can sit under us or just lay  
We are the things that grow apples, peaches, and cherries  
You can also make piles of our many, many leaves

Our roots grow so far in the ground  
That they never can be found  
We have branches that stretch for miles  
So come and sit and stay for a while
